Audition Directions for New Kindergarteners

What are the kindergarten auditions?

- We are excited to sing with your kindergartner. We require new kindergartner singers to audition to make sure they have the pre-requisite skills to be in the Pre-A Cappella Group.
- You will receive the audition track via email once you register (“Happy Birthday”)
- Singers must record an audition video singing along to the “Happy Birthday Audition Track”. Please use a device (i.e, phone) to record the video and another device (i.e, computer) to play the “Happy Birthday Audition Track”
- We’re looking for singers that already can match pitch (sing the correct notes) and can keep tempo (sing the notes at the right time)
- If you have any questions, email us at info@greenwichacappella.com

How do I submit?

- Make sure you register you singer through the Spring Registration form and complete the tuition payment within 24 hours
- Please email this audition video to info@greenwichacappella.com within 3 days of registering to be considered
- If your singer is not placed in the Pre-A Cappella Group for this year, the tuition will be reimbursed. If this is the case, we look forward to singing together soon, once they have these pre-requisite skills.
